## Coming home

Been away for much too long, missed you girls so strong  
Being without your good night kiss, made my evenings long  
It's been hard in the mornings, waking without your smile  
Have been waiting for so long, to finally come home

Coming home, you're all waiting with a smile  
Coming home, taking you in my arms  
Coming home, so many stories we've got to tell  
Coming home, my god that feels so well

Leaving on a journey, seems the coolest thing to do  
All the things that you could do, there's no one else but you  
But then every evening, this loneliness comes through  
Again the longing feeling, to finally come home

Coming home, you're welcome with a smile  
Coming home, all of you in my arms  
Coming home, so many stories we've got to tell  
Coming home, my god that feels so well

Coming home, coming home, coming home, coming home to you  
Coming home, coming home, coming home, coming home to you

Coming home, is the coolest thing to do  
Coming home, is when it feels again like you  
Coming home, having all of you in my arms  
Coming home, my god that feels so well

Coming home ...coming home ...coming home ...  
Ohhh ...coming home ...  
Coming home ...coming home ...coming home ...  
Ohhh...coming home...  
Coming home.
